CEDUNA 13 OFF-ROAD CARAVAN

The Ceduna 13 is proof that good things come in small packages. It's our compact hardtop off-road caravan, ideal for adventure-seeking couples.

The Ceduna 13 features a huge king-sized bed with comfortable density foam mattress. Enjoy the view across magical remote locations through the Ceduna's oversized bedroom windows. Despite being a compact caravan, the Ceduna 13 has a spacious onboard ensuite with hot water shower, toilet and storage. There's loads of internal storage including overhead storage and a front bench area with cabinets and drawers.

The external slide-out kitchen is well appointed with hot/cold water mixer tap at the sink and a large four-burner gas stove. There's a large pantry drawer and fridge slide, plus a huge tunnel boot accessible from both sides of the van.

The Ceduna 13 is off-road ready, fitted with Ezytrail's F5 Chassis and Drawbar which are engineer certified for off-road use and come with a lifetime warranty. Independent suspension and an ALKO off-road coupling plus functional enclosed front toolbox make the Ceduna 13 a worthy companion for your off-road adventures.
