

EZYTRAIL

WINTON 16 QUAD

The Winton range of caravans have been designed to take families all over the country, and now there's a compact family van in the range that's perfect for adventure, the Winton 16 Quad.

The Quad features a rear entry which leads to a spacious bathroom with a shower and toilet, a full indoor kitchen, and queen size bed up the front for parents. There's also a foldable bunk bed which can be stowed when the lounge is in use and folded down for overnight stops and the lounge converts easily into a second bed for the kids.

It truly is the perfect small family touring van, with all the essential features for heading off the beaten track and is covered by Ezytrail's Lifetime Warranty on Chassis and Drawbar for offroad use.
