

EZYTRAIL

PARKES 18 MK2

The Ezytrail Parkes 18 MK2 is the most spacious and well-equipped family van in our range.

This van caters for trips away in just about any situation thanks to its internal and external cooking offering. If it is sunny outside you can cook up a storm using the slide out kitchen, if the weather is bad, why not just get cooking inside!

This model is the first in our Parkes offroad hybrid range to sleep 5 comfortably, with bunks, a fold down lounge and

a huge king bed for the adults.

You can be confident for long journeys on and offroad as you'll be travelling on our proven Ezytrail EzyRider suspension and upgraded Pedders shock absorbers as standard to make your trip as smooth as possible.

This van quickly turns into a 21ft spacious haven once you get to camp with the expandable main bed end that made our Parkes range so popular.
