## BUNDOORA GT

To see the best offroad spots in Australia, you need a tough, go anywhere Rooftop tent camper that can carry all of your equipment, and keep you safe and comfortable. And that's what the Bundoorra GT is destined to do!

Sporting a super compact design, and weighing from just 1025kg, the Bundoorra is perfect to explore those tighter tracks that often lead to the most spectacular places.

To ensure the Bundoorra is super capable, it comes with Alko's 3.5T offroad hitch, 10-ply mud terrain tyres, rated recovery points and

a fully powder coated independent trailing arm suspension system.

Don't let its compact size fool you, this little camper packs a big punch when it comes to storage. In addition to main body storage, the top storage cage is a must have to store things like your firewood, camping chairs or even a canoe.

When you're ready to hit the hay, the Bundoorra 23 Zero Dakota 1400 roof top tent is a quick and comfortable set up for an elevated nights rest.
